

	<h1>QUALITY POLICY</h1>
<p><b>UNE-EN-ISO 9001:2015</b></p>	

QUALITY POLICY OF MECANITZATS DASER, S.L.:

Ever since its creation, the company Mecanitzats Daser, S.L. has provided services related to automatic lathes, reconditioning, second-stage mechanisation and gear shapings, always prioritising seriousness and quality in its operations.

The provision of a quality service is an objective shared by the entire organisation and comes under the direct responsibility of the management team. As well as the consolidation as a company specialized in the production of parts of medium and high complexity, with notable added value through offering a high level of know-how, high productive efficiency and high flexibility.

When choosing us, customers of Mecanitzats Daser, S.L. are guaranteed a trusted response from the initial contact right up to product delivery, with the security of receiving everything with a level of quality that fully meets their expectations, at a reasonable price and within the agreed time frames.

The quality policy of our company sets out to consolidate this reality, always enhancing the service and the attention to our customers' requirements. Quality goals are defined annually, and monitoring is carried out to check the degree of achievement. Commitment to quality is a cornerstone of the culture of Mecanitzats Daser, S.L. through the active engagement and dedication of each of its employees.

Goals can only be achieved with the full responsibility and ongoing training of each member of this company, starting with the management team with its decisions in this regard.

All the details of policies and procedures are described in documents and all staff members are informed of the duty to follow all instructions related to this process to guarantee the highest possible guarantee of quality.

Although the coordination and implementation of the necessary actions for quality assurance is delegated to the Quality Control Director, the ultimate responsibility for its achievement lies with the management team, which provides the necessary human, technical and economic resources for this.

The Management.  
**MECANITZATS DASER, S.L.**
